

# REMARKS

In the Office Action mailed January 26, 2004, the Examiner noted that claims 3 and 22 had previously been canceled. This Amendment recites the cancellation of those claims. Claim 23 has been amended to point out the A<sub>2</sub> and B<sub>2</sub> substituents. Claim 35 was added by the Amendment of February 4, 2003 and claim 36 was added by the Amendment of June 20, 2003 and these claims do not introduce any resolved issue. The rejection of April 3, 2001 regarding the question of the sufficiency of disclosure of the subject matter of claim 19 has not been resolved and that claims 35 and 36 point out similar subject matter regarding the use of analogous materials. For these reasons, it is requested that the present amendment be entered.

Early and favorable action is earnestly solicited.

Respectfully submitted,
